Aluminum Frame Pergolas!!

Like your outdoor patio area, but need some shade. Add a pergola and get more enjoyment of your outdoor living space.

CrimSAFE security screens can be used for patio enclosures, windows, sliding and bi-pass doors. They offer 24/7 security from burglars and home invasion; keep out mosquitoes, bugs and pests; block 52% of solar heat and UV reflectance saving you money and are qualified hurricane impact and wind blown debris protection.
