

PHIFER
TuffScreen[®]
Heavy-Duty Insect Screening

TuffScreen
A heavy-duty, vinyl-coated polyester insect screening that is ideal for use in high traffic area. Pet resistant and tear and puncture resistant. TuffScreen is stronger than regular insect screening.

PHIFER
INCORPORATED

A 17 x 13 mesh screen has 17 rectangles per inch horizontally and 13 rectangles stacked vertically to make up an inch. The mesh size refers to the density of the screen mesh, which is measured by the number of openings per square inch.
